APPENDIX C EXHIBIT TO CATEGORY D2 DIR-TSO-3042

End of Engagement/Transition Plan

In the event DIR transitions to an alternative solution, Toshiba's philosophy is to exit with dignity and professional integrity. We believe that the last impression is as important as the first impression and will take all actions necessary to accomplish our obligation to transition services from Toshiba to any replacement supplier.

Upon notice of termination, Toshiba will cooperate in every reasonable way with DIR and take all reasonable steps required to assist you in effecting a complete and timely disentanglement. We will perform the actions without any interruption of or adverse impact on our services or any other services being provided by other parties.

Toshiba will provide for the prompt and orderly conclusion of all work, as DIR may direct, including completion or partial completion of projects, documentation of work in process, and other measures to accomplish (subject to the performance of their respective duties by DIR and new provider) an orderly transition to DIR's new provider. Toshiba's obligation to provide the services will not cease until the disentanglement is satisfactory to DIR. The process will begin upon any of the events (i) notification of non-renewal of the contract, (ii) contract expiration, or (iii) the date designated by DIR. Toshiba will perform specific activities that will include:

• Continuation of maintenance services for leased product until the product is de-installed and removed from DIR.

APPENDIX C EXHIBIT TO CATEGORY D2 DIR-TSO-3042

- Providing MFD end-of-term product security when contracted in accordance with level of security chosen by DIR, including any or all of the following: (i) removal of old hard drive, (ii) NVRAM and fax data scrub, (iii) installation of new hard drive, (iv)reinstallation of device operating system and firmware, (v) hard drive wipe (v) reinstallation of new hard drive. (Footnote charges may apply).
- Communicating through formal notification to all Toshiba subcontractors/agents/servicing providers of the cease services date.
- Where DIR exercises an option to purchase leased product provided by Toshiba, Toshiba shall cause or effectuate the transfer of clear title of purchased product to DIR.
- Disconnection of all meter utility software.
- Ceasing use of and disconnect its 800 telephone number or numbers that are designated for DIR. Toshiba shall not answer any phone line, or trouble shoot diagnosis of product, or dispatch services for any Toshiba provided product.
- Facilitating and bearing the cost for the end-of-term removal and return of Toshiba provided leased product:
- o Relating the cost of the service to DIR and facilitating the payment for the services to the providers
- o Coordinating any required security measures with Toshiba servicing providers and to coincide with removal
- o Relating the cost of product security to DIR and facilitating the payment for the services to the providers

Upon completion of disentanglement, all Underlying Works and confidential information will be returned to Toshiba, as applicable. Promptly upon the completion of the disentanglement by Toshiba, Toshiba and all subcontractors/agents will return any and all copies of DIR' Work Product held by Toshiba or any subcontractors.

^[1] Toshiba will price for this cost at the time of service and will only charge actual costs incurred and bear the administration burden.
